In Memoriam

We are grateful for the faith-based service of these Brother Knights who passed since our last tournament. Their contributions to the Knights the Church, and the Community will never be forgotten. Rest in Peace.

 May they Rest in Peace.

## Who We Are

The Knights of Columbus have been called the strong right arm of the Catholic Church and we are proud to stand beside our priests and bishops promoting and defending our faith. The Light of Christ Council is headquartered at St. Ignatius Loyola Church in Sinking Spring, Pennsylvania.

The Knights of Columbus is the world's largest Catholic family fraternal service organization with 2 million members. It provides members and their families with volunteer opportunities in service to the Catholic Church, their communities, their families, and young people all over the world. Founded on the principles of charity, unity, fraternity, and patriotism, the Knights of Columbus was established in 1882 by Blessed Michael J. McGivney.

Charity – Our Catholic faith teaches us to “Love thy neighbor as thyself.” Members of the Knights of Columbus show love for their neighbors by preparing and donating food to local soup kitchens and food pantries, by volunteering at Special Olympics, and by supporting, both spiritually and materially, mothers who choose life for their babies. Knights recognize that our mission, and our faith in God, compels us to action. There is no better way to experience love and compassion than by helping those in need, a call we answer every day.

Unity – None of us is as good as all of us. Members of the Knights of Columbus all know that – together – we can accomplish far more than any of us could individually. So we stick together...we support one another. This means that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community.

Fraternity – Blessed Michael J. McGivney founded the Knights of Columbus, in large part, to provide assistance to the widows and children left behind when the family breadwinner died – often prematurely. The Order's top-rated insurance program continues to do this today.

Patriotism – Members of the Knights of Columbus are patriotic citizens. We are proud of our devotion to God and country, and believe in standing up for both. Whether it's in public or private, the Knights remind the world that Catholics support their nations and are amongst the greatest citizens.
