Opportunity House has been helping the homeless population of our area since 1984. Our emergency shelter serves homeless men, women, families, and Veterans. We also offer a Keystone 4 Stars early learning center that allows parents to work or continue their education to provide a better future for their family. OppShop, our retail thrift store and our and Reuse and Recycle program diverts waste from landfills and provides essential funds to support our programs and services at Opportunity House.

In a safe and nurturing Christian environment, John Paul II Center serves children and adults with intellectual and developmental disabilities by providing diversified programs. We acknowledge the dignity of all learners while challenging them on a daily basis to reach their God-given potential. Our mission is an expression of the Catholic Church's teaching on the sanctity of human life.

The Knights of Columbus have been called the strong right arm of the Catholic Church and we are proud to stand beside our priests and bishops promoting and defending our faith.

The Knights of Columbus is the world's largest Catholic family fraternal service organization with over 2 million members. It provides members and their families with volunteer opportunities in service to the Catholic Church, their communities, their families, and young people all over the world. Founded on the principles of charity, unity, fraternity, and patriotism, the Knights of Columbus was established in 1882 by Blessed Michael J. McGivney.

In Memoriam

We are grateful for the faith-based service of these Brother Knights who passed since our last tournament. Their contributions to the Knights, the Church, and the Community will never be forgotten. May they Rest in Peace.
